TO USE AS A MEAL MIXER

Kiwi Kitchens Freeze Dried Raw is an easy, convenient way to turbo boost your dog's protein and nutrient requirements for ultimate health. We recommend a mix of 1/4 Kiwi Kitchens with 3/4 of the current food. Remember to reduce the calorie amount of your current food to avoid overfeeding.

We recommend rehydrating with water for ultimate nutrition. Simply mix 1 part food with 1 part warm water. If feeding dry, make sure your dog drinks plenty of water at mealtimes.
